CARLISLE

Brimming with culture and a dynamic student scene, Carlisle is a vibrant Cumbrian city, with great restaurants, welcoming parks, and Instagrammable hidden gems. When you're not hitting the library, discover the beautiful architecture of Carlisle Castle and Cathedral, browse the city's quirky, independent shops, or catch live music and comedy at the Sands Centre.

In between lectures, our thriving city is the perfect place to discover new passions. From bouldering, swimming and hiking to axe throwing, bowling and escape rooms, there are so many ways to spend your downtime close to campus.

Carlisle's cultural calendar is studded with fun events throughout the year, too. Grab your friends and sample ales and ciders at the Carlisle Beer Festival or enjoy live music and comedy at the Old Fire Station. The city's nightlife is plentiful, with everything from cocktail bars to pubs and clubs.

Striking the right balance of entertainment, culture, and countryside, Carlisle has everything you need to make your time at university memorable.

YOUR HOME AT CUMBRIA

For first year students, accommodation is at the heart of the university experience, where lasting friendships are made, memorable experiences are created, and important life skills are formed.

UCSU STUDENTS' UNION

Hello! We are the University of Cumbria Students' Union (UCSU), and it's our mission to represent and support you in any way that we can. We're a charity set up by and for students, and we work independently with the university. We'll help you to develop and achieve your dreams, collaborating with our partners to deliver the best possible student experience during your time at the University of Cumbria.

We are headed up by an Executive Committee, which is led by three full-time Student Officers as well as Campus Reps, all of whom are elected by you each year. It is the job of this team to be your voice at the highest levels of the university, helping to bring about any changes that you raise and celebrating the successes of our amazing student body.

GROUPS & SOCIETIES

We have a wide range of societies that cover everything from midwifery to paddle boarding, criminology to mountain climbing. Such student-led groups are here to help you continue a hobby you already love, discover a new past-time, or just meet like-minded people. If something you want to do doesn't already exist, we will help you set it up.

EVENTS

Events are offered both through UCSU and our Student Groups and include club nights, festivals, city events, volunteering fairs, workshops, training courses, and more. We aim to provide events and opportunities that everyone across the university community will enjoy.

STUDENT LIFE

SPORT AND ACTIVITIES

We want to ensure your wellbeing and mental health are being cared for, which is why we encourage all our students to have a healthy balance of work and play. Physical activity can help boost self-esteem, mood, sleep quality, and energy, so let's take a look at what you can do to keep fit and active during your time at university.

UoC Active offers a variety of facilities and services at our Ambleside, Carlisle, and Lancaster campus locations, with our sport and fitness centres catering for a wide range of activities through UoC Active Play. Our facilities also have air-conditioned fitness suites, with year-round class timetables offering Pilates, bootcamps, yoga, and strength and cardio sessions. Our Lancaster campus also has grass football and floodlit artificial turf pitches.

As well as affordable campus memberships, we offer great deals on premium membership packages, which include access to our partner facilities at Better Leisure and Salt Ayre Leisure Centre. UoC Active is also part of the BUCS UNiVersal Scheme, which allows access to fitness facilities at universities all around the country.

GROUPS & SOCIETIES

Through our Students' Union, we have a range of groups available to our students, including Women's Hockey, Mountaineering, Paddling, Christian Union, South Asian Society, Men's Hockey, and more.

At each of our campus locations, we can also help you find groups and societies which are available to the wider community outside of the university. SU Sports teams also have the opportunity to take part in BUCS leagues.
