**Location**

Just off the M6 and with its own mainline station, Penrith is easy to reach. This friendly town has lively restaurants and pubs, a cinema, nightclubs and a good range of high street and specialist shops. For even more extensive facilities, Carlisle is just 20 minutes drive away.

**Penrith campus**

The campus is in a beautiful rural setting about a mile outside the town. Set in landscaped gardens and with impressive facilities, the campus provides a delightful environment for both living and working.

**Address**

University of Cumbria,  
 Penrith, Cumbria CA11 0AH

**Telephone**

01768 893400

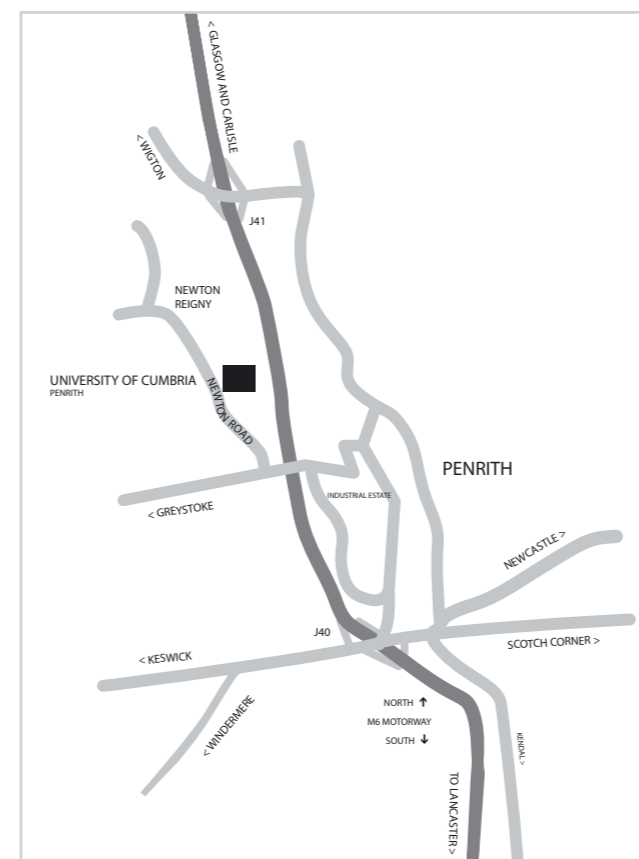

**By road**

From the north and south leave the M6 at junction 40, and take the exit signposted A592 Penrith (Ullswater Road). At the mini roundabout (garage on your right), take the first exit left (following signs for Newton Rigg) through an industrial estate to the T-junction. Turn left onto the B5288 (Greystoke Road), crossing over the M6, then take the first right onto Newton Road. The campus is approximately half a mile along on the right hand side.

**By rail**

Penrith is on the main west coast rail line. There is a further choice of cross-national routes, which call at Carlisle, 22 miles away, and have frequent rail connections to Penrith. It is a five minute taxi ride from the station to the campus.
