

Provisional

Timetable for Upland Farming for Net Zero module, starting January 2024

Course starts: Week beginning 22 January 2024

Course duration: 6 weeks, part-time, with taught sessions across the first 5 weeks

Notes

The course is taught across five weeks via 7 x 1hr online evening sessions, 3 x 2hr in-person workshops at Dartmoor National Park Authority, Parke, Bovey Tracy and 2 x half-day farm visits. Sessions not specified as online will be in-person only.

A final schedule of dates, times and locations will be issued prior to Week 1, along with joining instructions.

For Farm Visits the group will meet at the farms (venues to be confirmed). Travel is not included, personal transport will be required.
