NEXT STEPS

How to accept a university offer

If you've received all your university offers and have decided you'd like to join us at Cumbria this September, you can make us your 'Firm' choice by logging into the UCAS Hub.

- **Unconditional Offer:** Accepting the offer will confirm your place on the course immediately.
- **Conditional Offer:** You will also need to select an 'Insurance' choice. Once you receive your results in August, your place at Cumbria will be confirmed.

Read the conditions of your offer carefully

Before replying to a 'Conditional' offer, make sure you have a clear understanding of what the University requires from you. If you are unsure about any aspect, contact the University and ask for clarification of the conditions.

Talk through your decision

If you're trying to decide which offers to accept, speak with your family, friends, and teachers about what you're considering – they may provide perspectives you haven't thought of before.

At Cumbria, we're happy to answer any questions you have about your offer. You can 'drop in' to our current students to learn more about what it's like to be part of our community.
