CARLISLE

Brimming with culture and a dynamic student scene, Carlisle is the perfect place to make the most of student life. When you're not hitting the library, discover the beautiful architecture of Carlisle Castle and Cathedral, browse our quirky, independent shops, or catch live music and comedy at the Sands Centre. The city's cultural calendar is studded with fun events throughout the year, too – grab your friends and sample ales and ciders at the Carlisle Beer Festival. And Carlisle's nightlife is plentiful, with everything from cocktail bars to pubs and clubs.

Our Brampton Road Campus sits right on top of Hadrian's Wall and is surrounded by beautiful parkland and rolling green lawns. Our Fusehill Street Campus has its roots set in history too. Health and Science have been practised and studied here since World War I, when our campus was a hospital for the wounded, later becoming Carlisle's Maternity Hospital.

This tradition of scientific discovery and incredible health care continues today as we train the health carers and scientists of tomorrow.

Carlisle is a vibrant Cumbrian city, with buzzing bars, restaurants, parks, and Instagrammable hidden gems.
