I can see the canal through the trees.

A photograph of a park entrance. In the foreground, a green metal gate is partially open, and a large, fluffy brown teddy bear wearing a colorful patterned scarf is perched on the gate. To the right of the bear, an orange speech bubble contains the text "What a fantastic park." The background shows a well-maintained park with various play structures, including slides and climbing frames, set against a backdrop of green trees and a clear blue sky. A small sign on the gate is partially visible, with the word "PLAYERS" at the top.

What a fantastic park.

Woo hoo! Push me high.

The pre-school looks like a fun place to be.

PLEASE
CLOSE
THE GATE

This is a very busy road.

I'd like to buy a car.

I wonder what
goes on
the trailer?

Here I can cross the road safely.

How many windows can you count?

I can see some numbers.

I like the door of the old school.

Time to buy a stamp so I can post a letter to my friend.

The Hair Spa

I could get my fur cut here.

A photograph of a church with a large Gothic window, a teddy bear sitting on a stone wall, and a notice board. The church is made of stone and has a large, ornate Gothic window with a pointed arch and intricate tracery. A teddy bear is sitting on a stone wall in the foreground, wearing a colorful scarf. To the right of the bear is a wooden notice board with the text "THE PARISH OF HOLY TRINITY" at the top. The board contains several notices, including one for "CASH HOPE" and another for "THAMES RENEWAL". The church is surrounded by greenery and flowers, including pink cosmos and white daisies. The sky is blue with some clouds.

I like the big window at the church.

Co-op

Time to get some shopping.

I like the magic doors.

I wonder what these funny signs mean?

When the lights start to flash it means there is a train coming. I love trains.

I'm nearly at the sea.

It's a good place for a walk.

It's very pretty down by the canal.

A fluffy brown teddy bear is sitting on a stone ledge. The bear is wearing a colorful, multi-colored scarf. In the background, there is a river, a path, and lush green trees. A speech bubble is positioned above the bear, containing the text "There's a good view from this bridge."

There's a good view from this bridge.

A fluffy orange bear is shown in profile on the left side of the image, looking towards a small stream. The bear has thick, shaggy fur and is wearing a colorful, patterned scarf. The stream flows through a rocky, wooded area. On the right side of the stream, there is a stone wall or structure made of stacked stones. The water in the stream is clear and reflects the surrounding greenery. The overall scene is a natural, outdoor setting.

A photograph of a park scene. In the foreground, a brown teddy bear with a colorful, knitted scarf is sitting on a dark metal park bench. The bear has its mouth open as if speaking. An orange speech bubble is positioned above the bear, containing the text: "I've had a lovely walk around Bolton-le-Sands today. Can you remember the things I've seen?". The background shows a grassy area, other park benches, trees, and a church spire in the distance under a bright sky.
