Today I'm going  
to Ryelands Park.  
I'm setting off from  
Ryelands's Nursery.

We went out through the gate and past the cars in the car park.

We went through the gate and past the trees.

I like counting cars.

We walked along the pavement. We waved at the bus driver.

Hello Eden Bear!

We were careful near the busy main road.

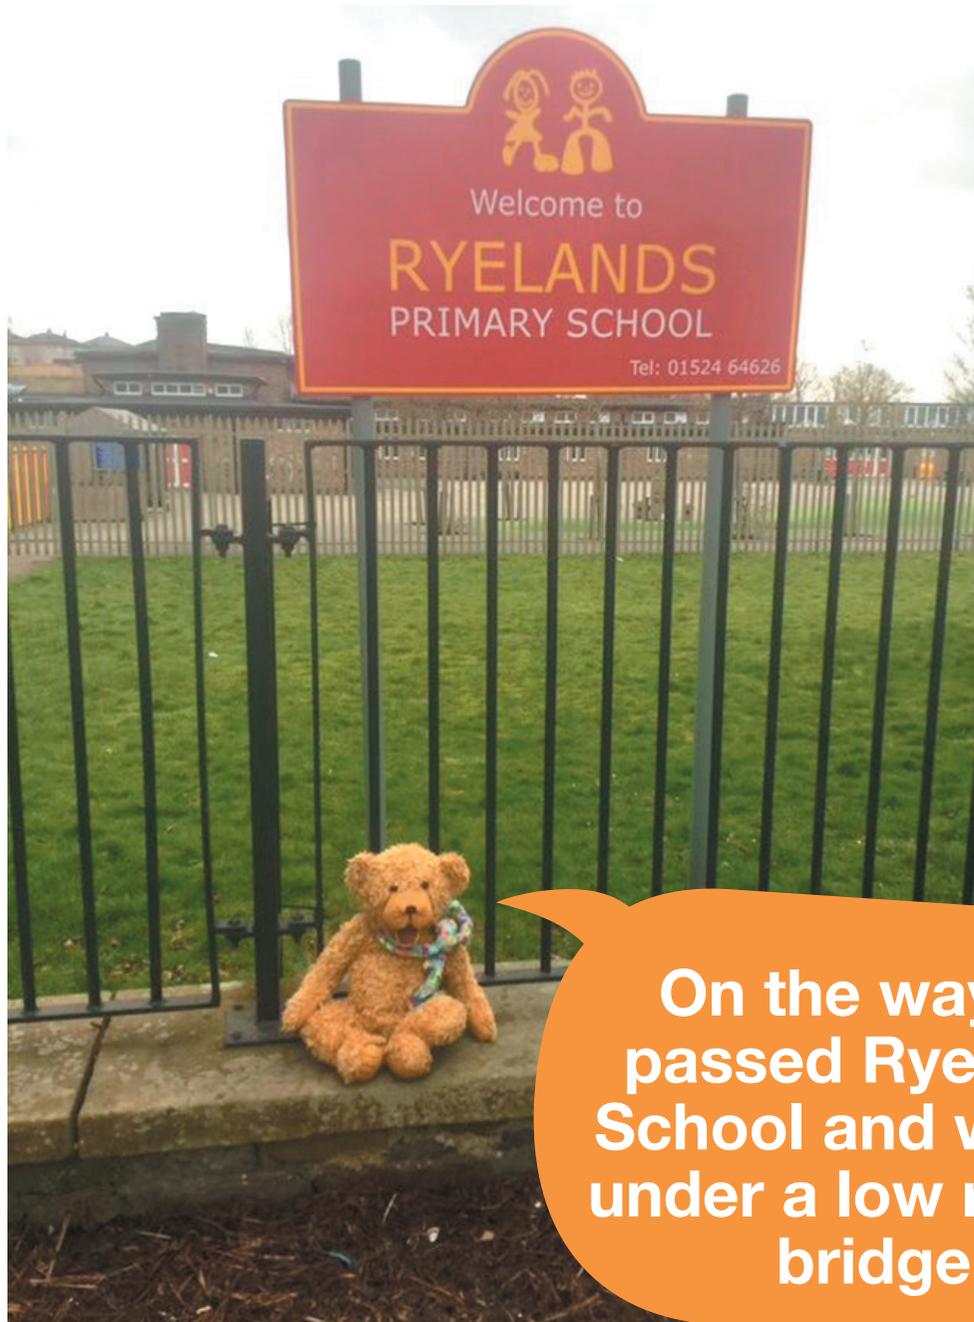

We saw a big bird's nest high up in a tree.

We saw shiny prickly holly.

On the way we passed Ryelands School and walked under a low railway bridge.

A photograph of a brown teddy bear sitting on top of a black litter bin in a park. The bear is wearing a colorful, knitted scarf. The litter bin has the words "LITTER / DOG WASTE" printed on it. In the background, there is a large green field, several trees, and a soccer goal. An orange speech bubble is positioned to the right of the bear, containing the text "Here I am at Ryeland's Park, it's very big."

Here I am at  
Ryeland's Park,  
it's very big.

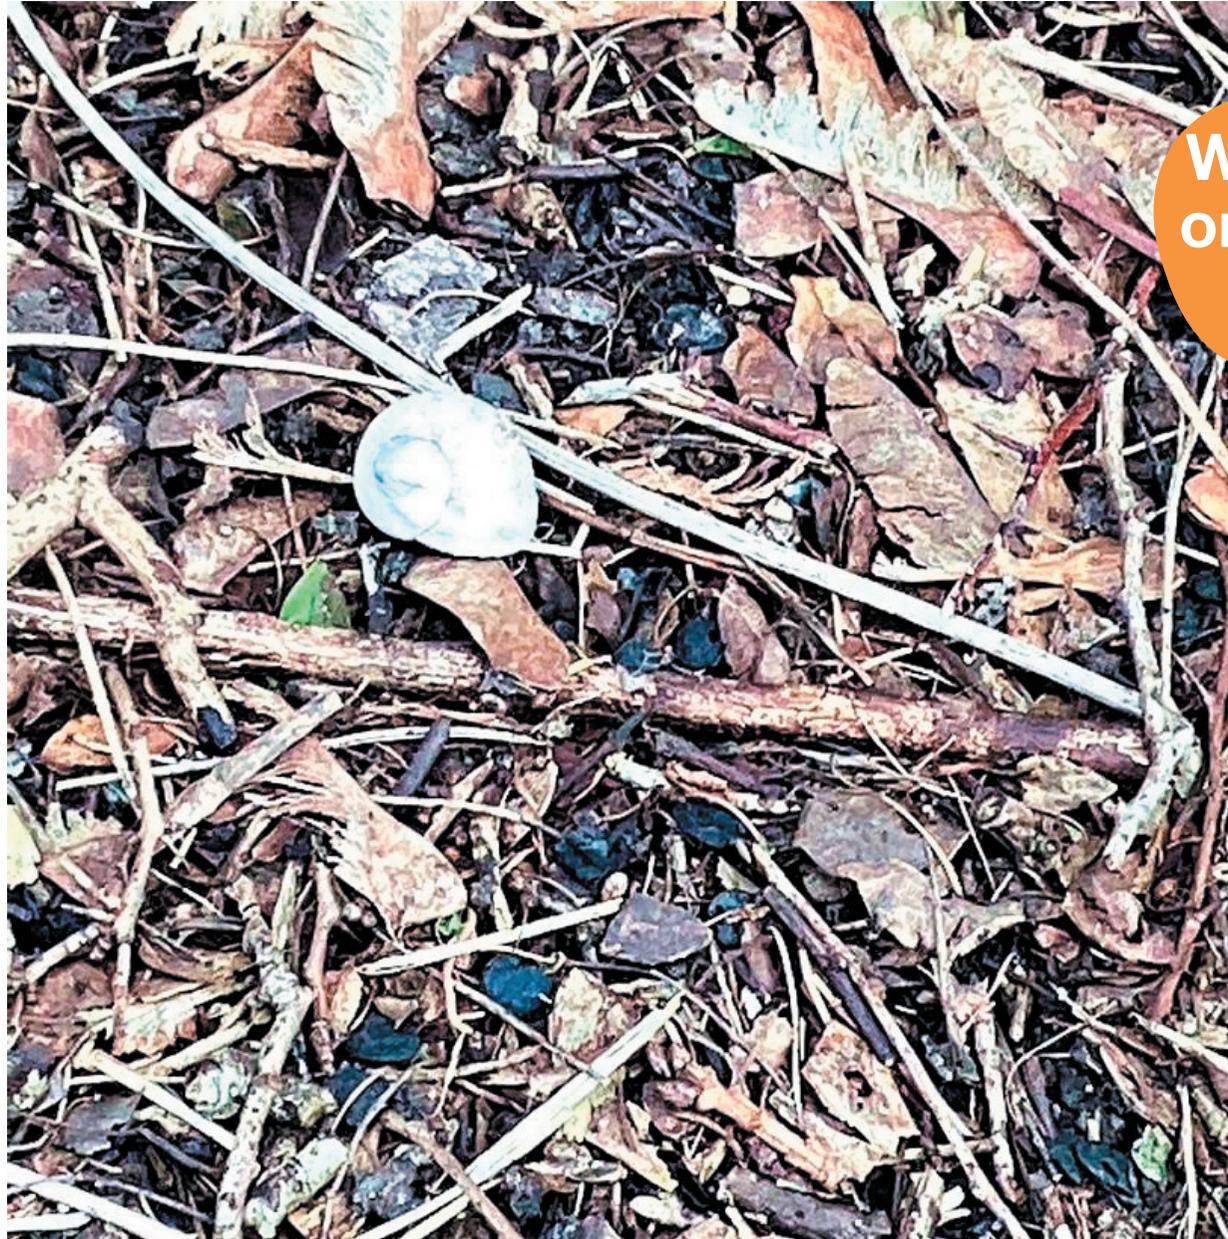

I love the  
pretty yellow  
daffodills.

**There are a lot of trees for bears to climb.**

**I like the feel of the rough bark.**

We saw a snail  
on some sticks  
and leaves.

It's a good  
place to watch  
the clouds.

That cloud  
looks like a car.

A photograph of a massive, ancient tree trunk covered in green moss. A small, brown teddy bear is sitting on the ground next to the base of the tree. The tree's branches are bare and reach up into a blue sky with light clouds. The ground is dirt and grass.

**This tree is  
massive!**

**It's like a  
giant's leg!**

I like to watch all the dogs running around.

A fluffy orange teddy bear is sitting on a wooden picnic table outdoors. The bear is wearing a colorful, knitted scarf. To the left of the bear, a small red and white object is on the table. In the background, there is a green metal fence, a grassy area, and some trees. A speech bubble next to the bear contains the text: "It's time for a teddy bear's picnic."

It's time for a  
teddy bear's  
picnic.

A photograph of a forest with birch trees. The trees have thin, white trunks and sparse, brown leaves. A teddy bear is hanging from a branch in the upper center. Two orange speech bubbles are overlaid on the image. The background shows a green field and a blue sky.

I can see  
Lancaster  
Castle from up  
here.

It's like a little  
forest.

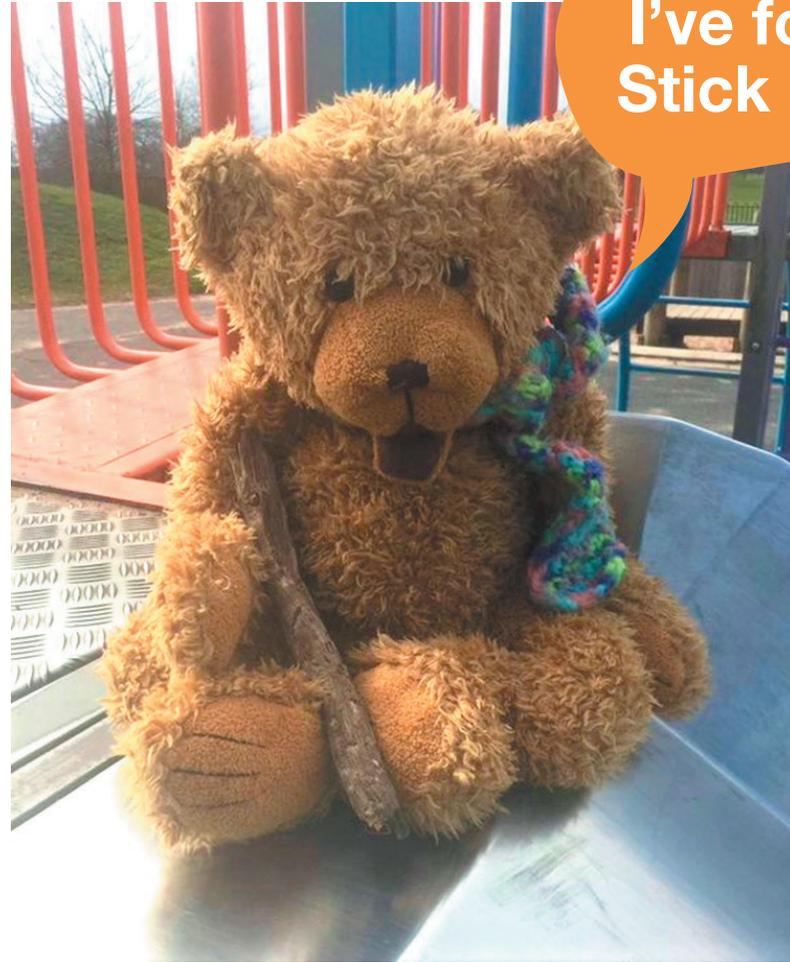

I'm a  
goalkeeper.

I might get  
my fur all  
muddy.

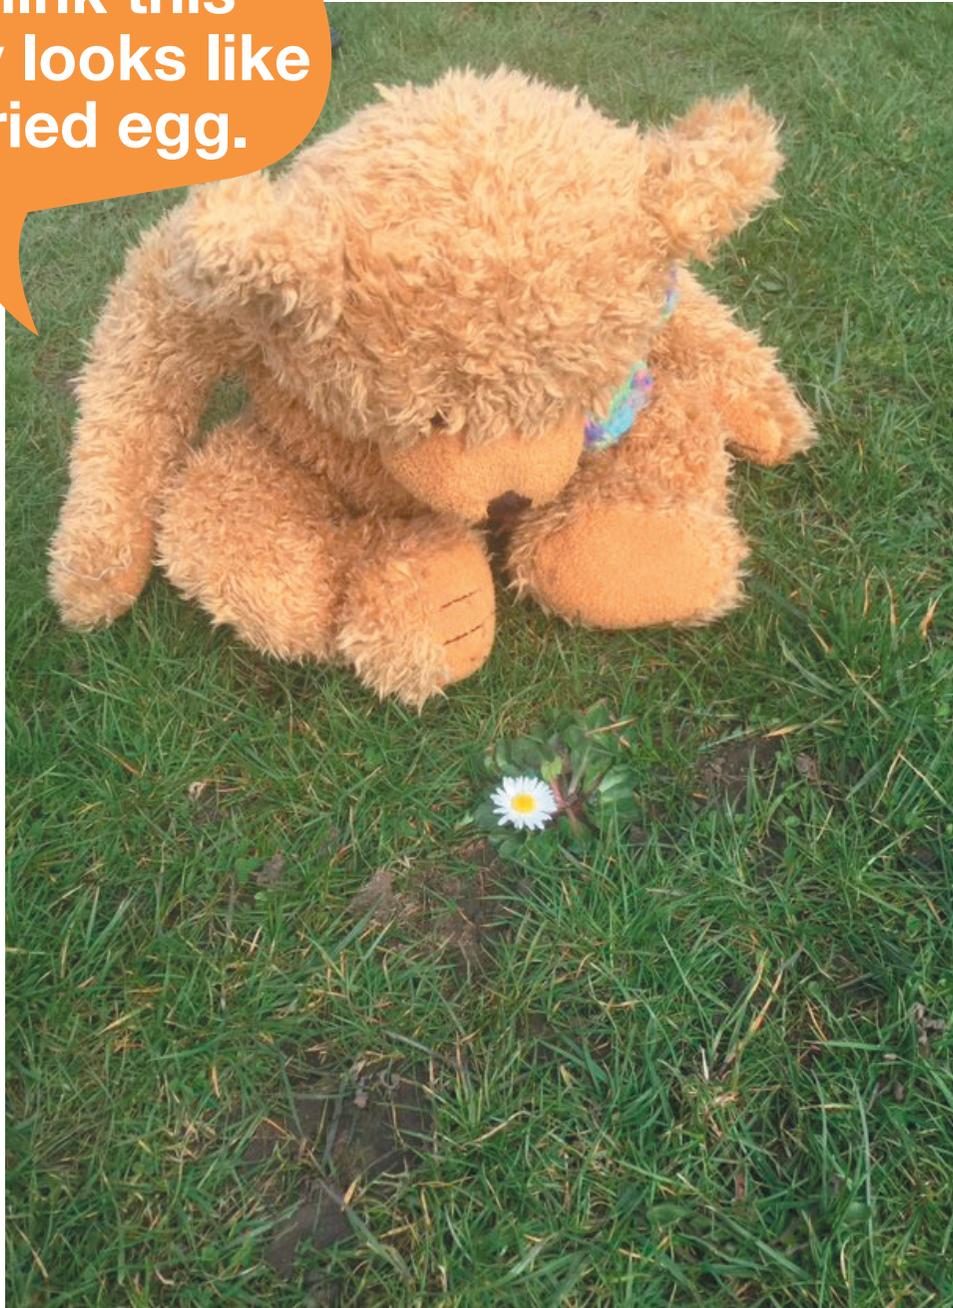

I like the see-saw best.

I've found Stick Man!

I think this daisy looks like a fried egg.

These shapes were fun to climb.

A large wooden play structure made of vertical posts and horizontal beams. A brown teddy bear is hanging from one of the horizontal beams. The structure is set in a park with other playground equipment, a green fence, and houses in the background under a blue sky with clouds.

It's a long way  
down for a little  
bear.

That was fun.  
Can you remember all  
the things I've seen  
today?  
What do you like to do  
when you go to a park?
