I've just walked up the big hill, so I'm having a little rest.

Today I'm visiting University of Cumbria in Lancaster.

I'm meeting my friends from the Pre-School Centre and we are going out to explore!

Up the steps is  
a big door. A big  
door to a castle!

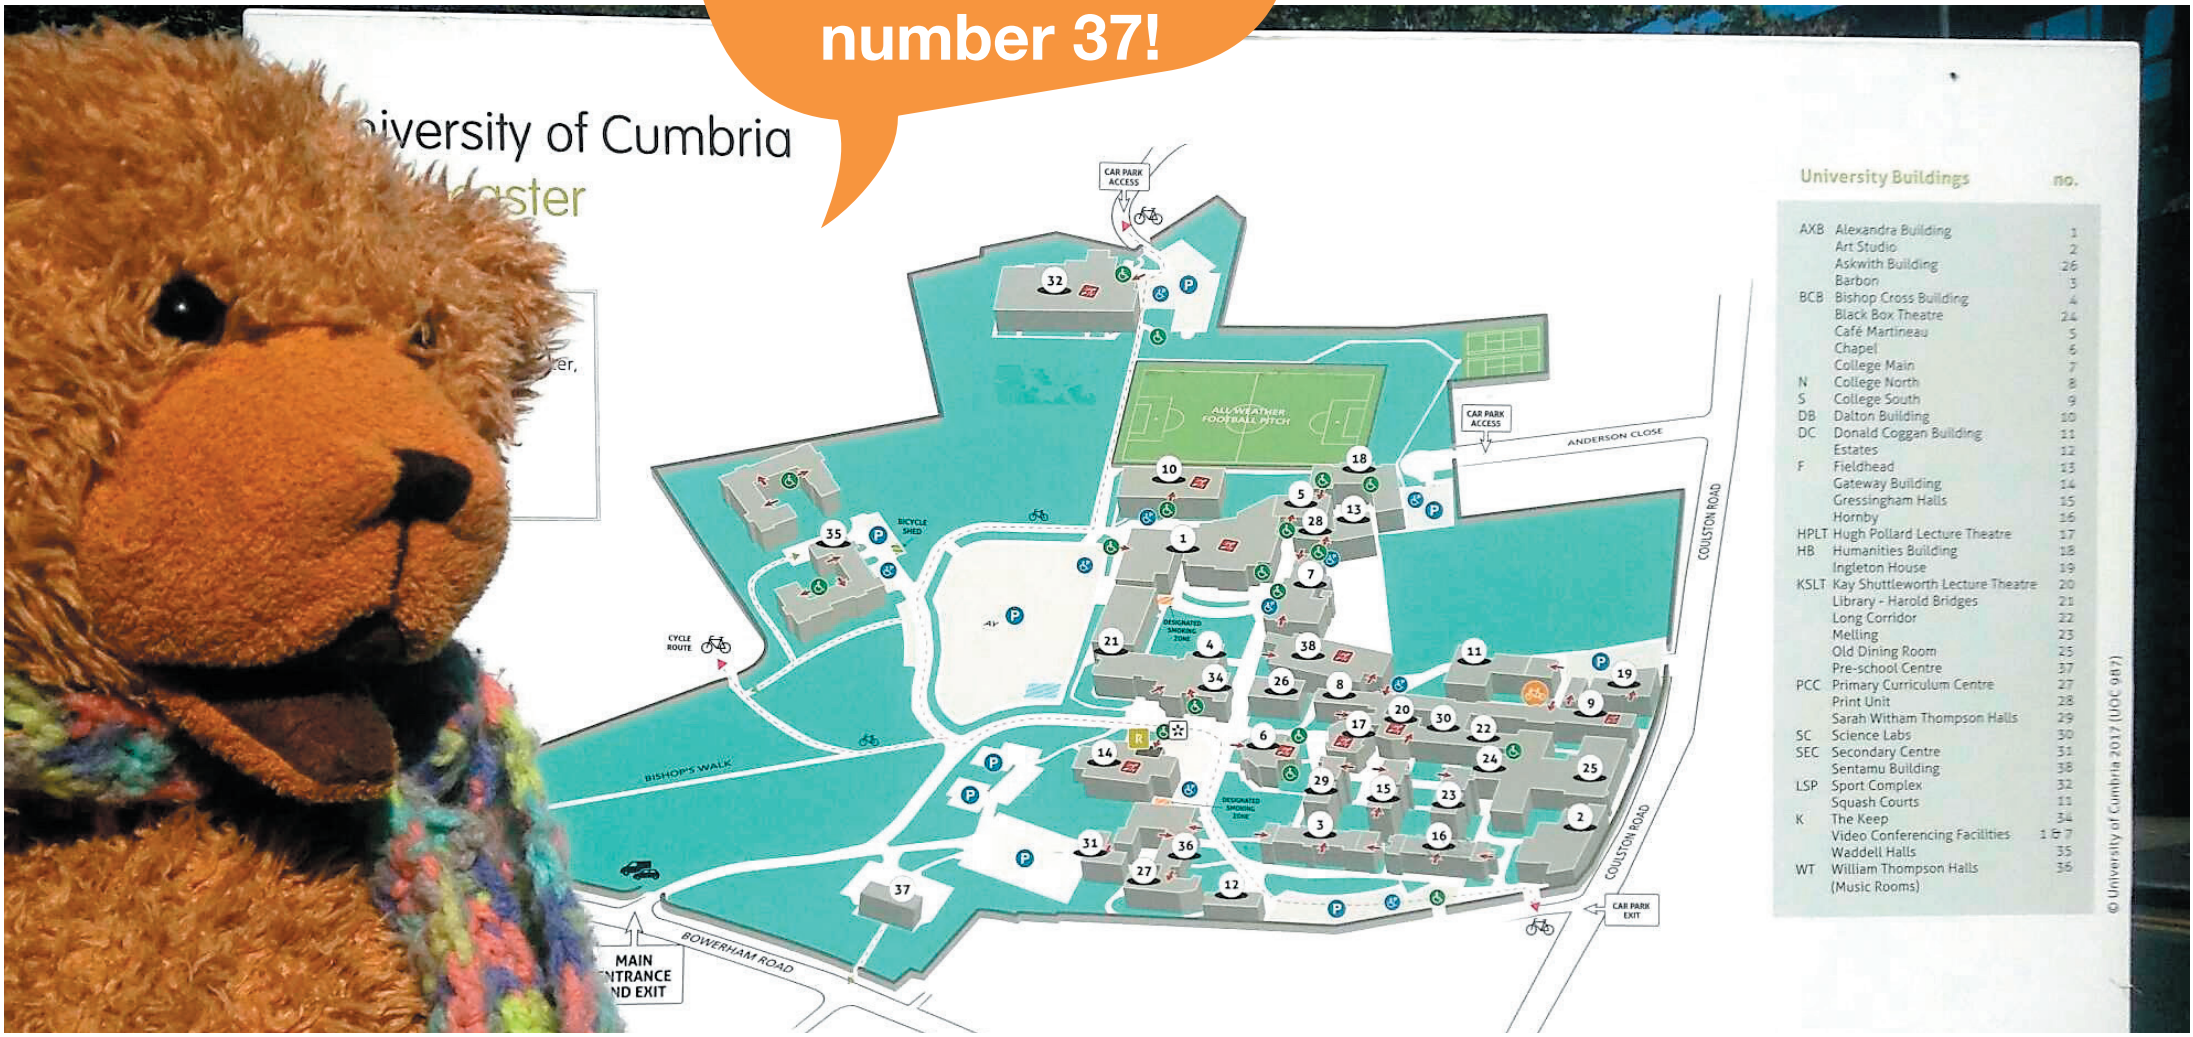

It's a massive castle.

It's got plants growing all over it.

It looks furry like me.

I've found a map. The Pre-School is number 37!

I thought these two men were bears.  
One man has a little head and one has a big head.

I like these funny shapes.

I like this old stone building with all the little windows.

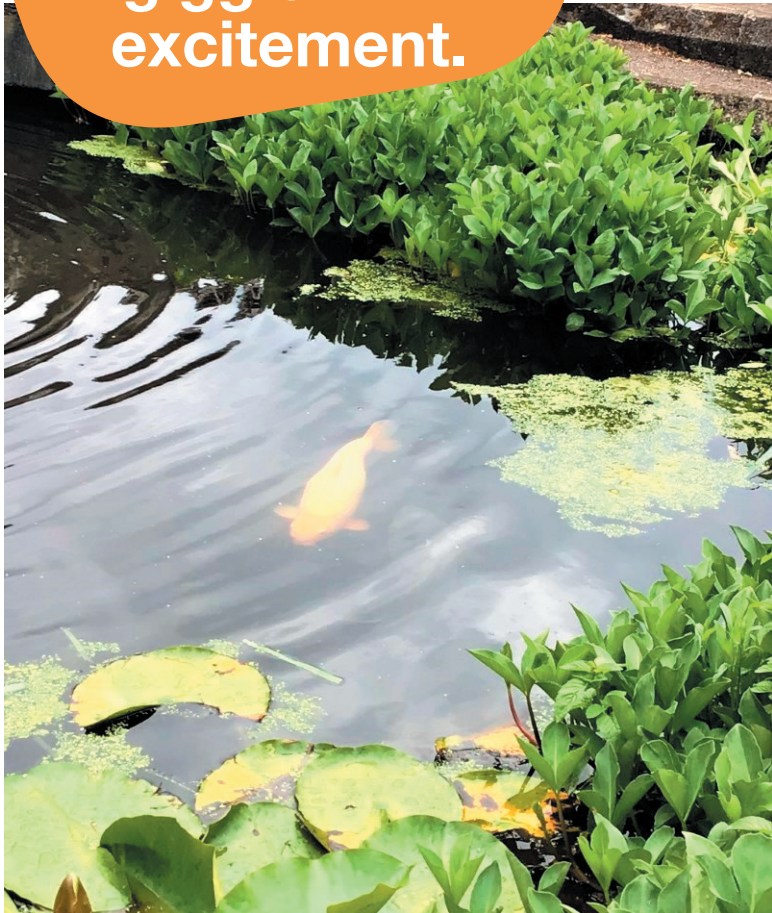

I like the pond and the splashing fountain.

Where are the fish?

The big fish made my friends giggle with excitement.

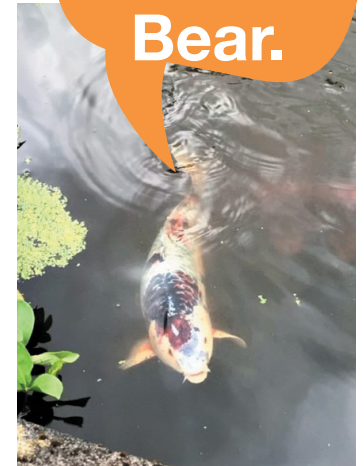

This one looks like The Rainbow Fish.

It's coming to say hello.

Hello Eden Bear.

I can see a football pitch and some huge trees.

**My friends and I  
were laughing at our  
reflections in the  
windows.**

There are some very pretty flowers here.

Snack time.

Hot chocolate.

**I have big muscles like Spiderman and I could climb to the top of this big building.**

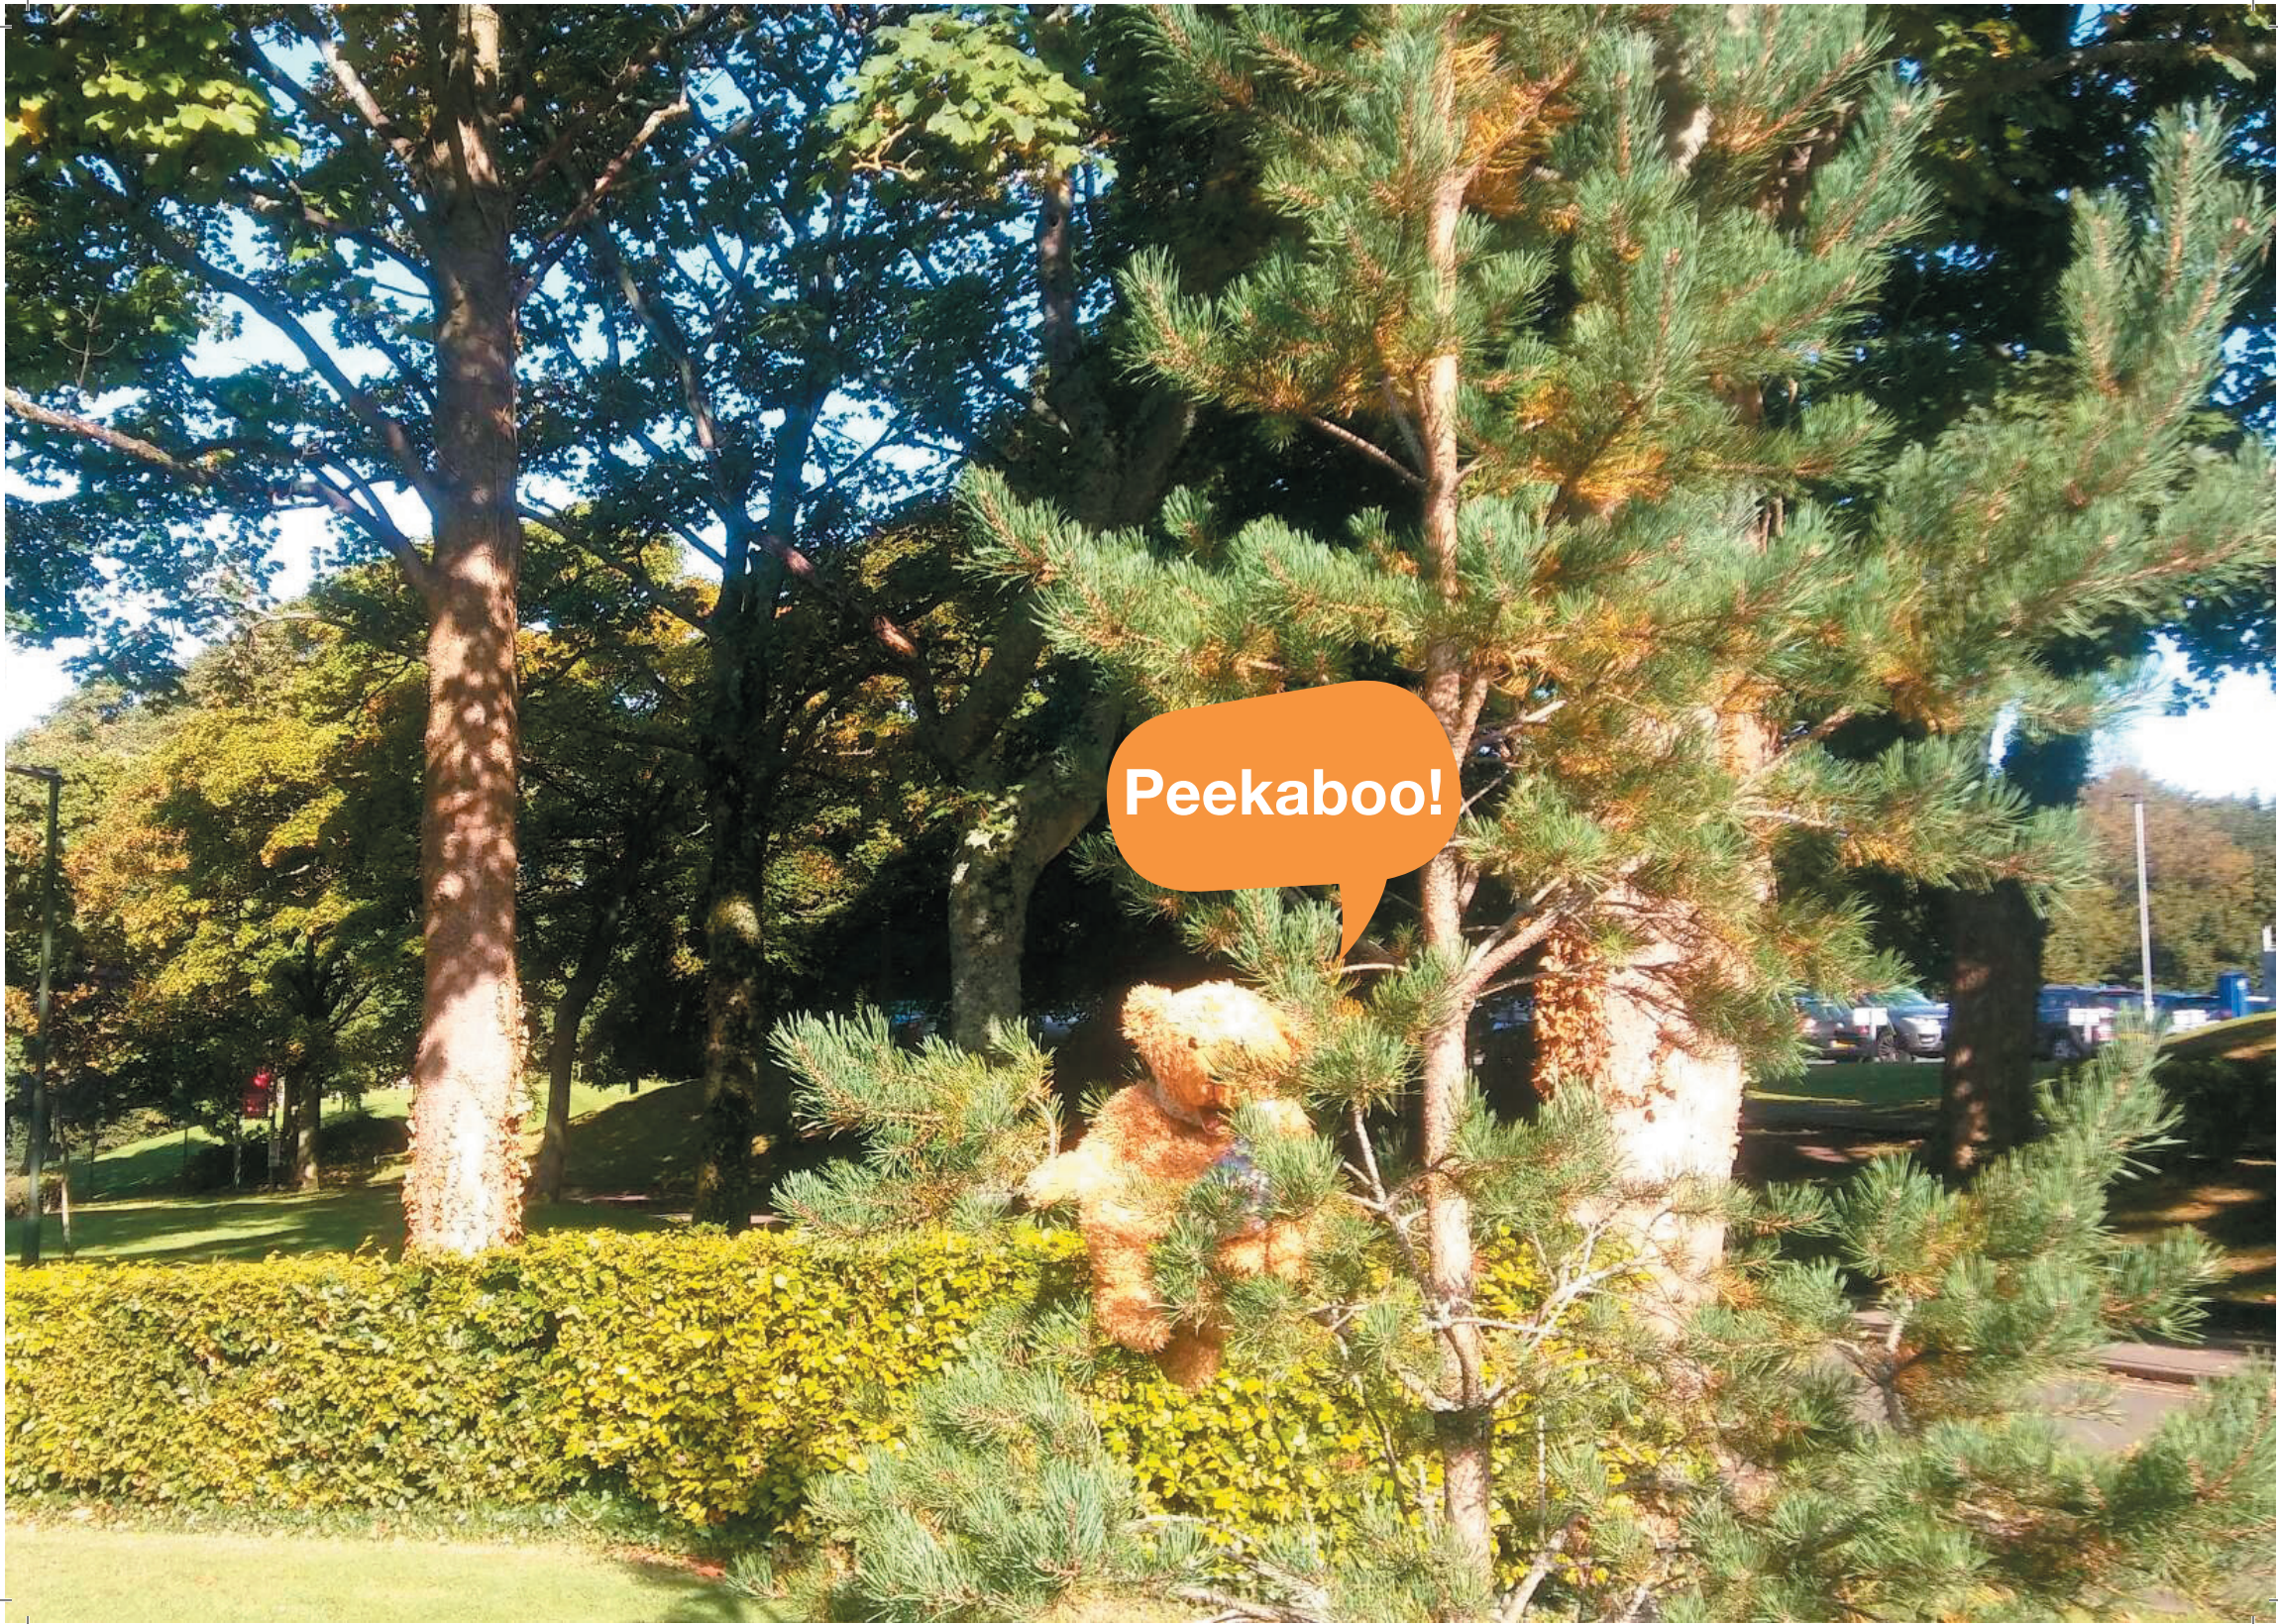

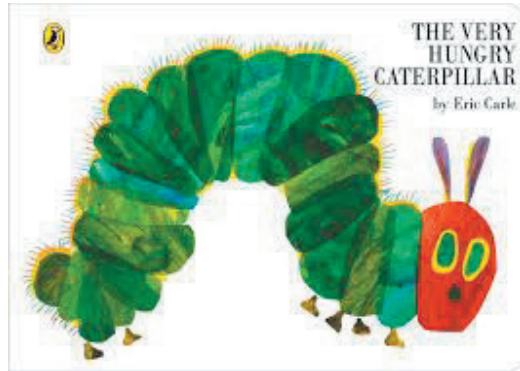

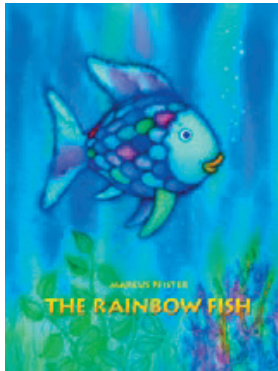

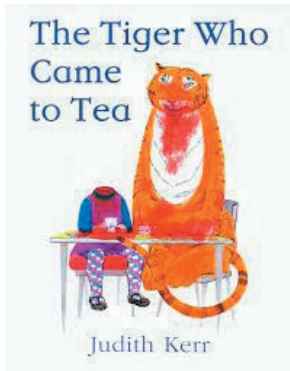

I can see a pigeon up by the window.

This looks interesting, bears like looking at nature.

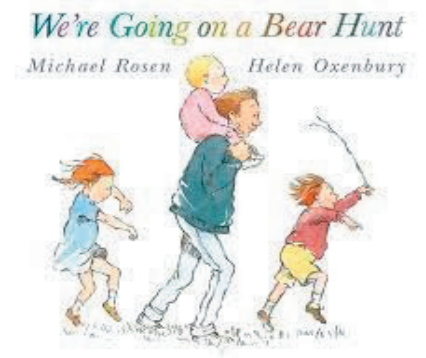

Peekaboo!

This is the library. I love reading books.

I would consider these images of books to be in breach of copyright?

I think there must be a lot of stairs in this building.

It's got plants growing all over it.

Look at all the reflections in the windows.

The spinning door made me feel all wobbly.

A brown teddy bear is sitting on a stone ledge in front of a building entrance. The bear is wearing a colorful, patterned scarf. The building has a large glass window and a door. The scene is brightly lit, suggesting daytime.

**I've had a lovely  
day walking around  
University of Cumbria.  
Can you remember all  
the things I've seen?**
