

Written assignment	3500 word equivalent	1-4	100%	Yes	No
<p>‡ By default, your final module grade will be an aggregated mark. However, if this box is marked 'yes,' then you <i>must</i> <i>also</i> successfully pass this element of assessment in order to pass the module, regardless of the overall aggregated mark. If core element(s) of assessment are failed, the module will not be eligible for compensation. Further information on module compensation is available in the Academic Regulations.</p>					

Reassessment
Reassessment in the failed component(s) will be undertaken as stated in the Academic Regulations

Compensation
This module is eligible for compensation (condonation) as a marginal fail within the limits set out in the Academic Regulations except where the module is core within the programme curriculum map – refer to your Programme Specification for details

Indicative Core Bibliography
Reading list available at: https://eu.alma.exlibrisgroup.com/leganto/readinglist/lists/3232981210002701

Additional Notes
Participation in the formative components of the module will help prepare you to undertake and succeed in the summative assessment.

Stand-Alone Study
To be eligible to study this module, you must demonstrate the ability to study at this level and commit to attempting the assessment. When taken as part of a specific named award, the module content and assessment must be focussed towards the subject of that award. Students who successfully complete this module as a stand-alone module will be eligible for a University transcript of credit.
