

Questionnaire for Prospective Students with Disabilities

Definition of Disability: The University defines disability in its broadest sense and this includes Specific Learning Difficulties (SpLD 's such as Dyslexia /Dyspraxia and Dyscalculia) Autism/ Asperger's/ Mental health conditions /(such as anxiety /bi-polar /eating disorders) Sensory and physical impairments and medical conditions such as epilepsy / diabetes cancer and many others.

If you are interested in studying with the University of Cumbria, and have any questions or specific needs in the recruitment process, please complete this short questionnaire to let us know. Please ensure that you have read the information on our web page and your course information.

Please note if you are successfully in receiving an offer and confirm University of Cumbria as your first choice the service contacts all students from the end of May onwards to work with you to prepare for your arrival.

If you are taking a course leading to a professional qualification, please read information carefully on the web site, follow the links to your professional body competencies, as all students will need to meet professional competencies for their chosen course. If you have any concerns about these, please use this form to contact us to discuss these.

The team look forward to hearing from you and working with you to support your application.
