Stewart Whitley, Charles Sloane, Gail Jefferson, Ken Holmes, Craig Anderson Publisher: CRC Press ISBN-10: 1498726992 Price Kindle edition £15.19 Paperback £21.93</p> <p>Bones and Joints: A Guide for Students, 7e Paperback – 22 Sep 2017 Author: Chris Gunn MA TDCR Publisher: Elsevier; 7 edition ISBN-10: 9780702071737 Price Kindle edition £33.44 Paperback £35.20</p> <p>There are additional books you may wish to purchase:</p> <p>Clark's Positioning in Radiography 13E Hardcover – 1 Sep 2015 Author: Stewart Whitley, Gail Jefferson, Ken Holmes, Charles Sloane Publisher: CRC Press; 13 edition ISBN-10: 9781498756938</p> <p>Tortora's Principles of Anatomy and Physiology Paperback – 26 May 2017 Author: Gerard J. Tortora, Bryan H. Derrickson Publisher: John Wiley & Sons; Global edition (26 May 2017) ISBN-10: 1119400066</p> <p>Accident and Emergency Radiology: A Survival Guide, 3e Paperback – 1 Sep 2014 Author Nigel Raby FRCR, Laurence Berman MB BS FRCP FRCR, Simon Morley FRCR Publisher: Saunders Ltd.; 3 edition ISBN-10: 0702042323</p>	

IT equipment/Stationery

Stationery for your own personal use (pens, papers and folders, etc.).
Whilst you will choose how much you need, expect to pay around £30 - £40 per year for these.

The bulk of your work will be saved and written electronically although you have IT facilities available (some 24hrs) on university campuses most students do have their own laptop. You may use your allocated space on the university 'cloud' for electronically saved work or have some alternative personal remote safe storage including an external hard drive or some form of memory stick etc.

There will be some printing costs as required by yourself but the majority of coursework is submitted electronically and feedback received similarly.

Clothing and Equipment

Students are required to wear uniform whilst on placement which is part provided by the university. This includes tunics and plain black trousers. Any additional or replacement items are funded by the student dependant on the reasons for replacement.
(see PU Uniform Policy)

Footwear is not included and would be purchased by the student.
Sensible, plain black, comfortable and supportive flat footwear is suggested but you will be further advised on this subject by uniform policy from the Trust you are allocated to.
Students should budget approximately £20-£40 for footwear but be realistic about replacing this over the 3 years. You may also wish to purchase different footwear to use in the hospital theatre environment.

Travel

We adhere to the Placement unit policy for claiming and incurring travel costs (please see site on blackboard) but be aware that there will be cost implications relating to the base Trust you are placed at and travel between peripheral sites within that Trust you will be expected to attend as part of your standard rota.

It is useful to try to share travel with other students if by car.

Remember that you claim back travel costs and thus have to fund them initially.
It is advisable to submit travel claims after each placement and the PU will advise you with this.

You have elective placements in both years 2 and 3 which are completely self-funded and many students choose a hospital where they can use cheaper hospital based accommodation or have friends or relatives to stay with to keep the costs down.
