# Course Fee
£1000 (Currently those living in the North West region have their fees paid for through HEE)

## Additional Costs

All students need to be aware that they will incur additional costs whilst on programme. A bursary of £500 pounds is given to those living in the North West region. This is to help cover additional costs such as those listed below.

Those students who do not live in the North West region do not get a bursary and should also be aware of the possible additional costs listed below.

Books are reviewed annually and are therefore subject to change, course welcome information will provide you with an indicative list for the year.

## Books and Journals

Students may wish to buy copies of books and/ or journals scripts although this cost can be reduced considerably by sourcing second hand copies . It is suggested that you wait until the course induction day before purchasing any books.

The library currently stocks all the essential reading list.

- Boyd, C (2013) Calculation skills for nurses. Wiley & Sons Ltd: West Sussex

## Stationery

Stationery for your own personal use (pens, papers and folders, etc.). You may wish to buy a small notebook to keep a reflective diary while on placement.

Whilst you will choose how much you need, expect to pay around £5-£10 stationary.

## Clothing and Equipment

- Two uniforms will be provided for those requiring one (dependant on field) and who reside in the North West region. It is expected that you buy a comfortable pair of flat black shoes. For those students living outside the North West region, there is an opportunity to hire a uniform from our placements unit or to buy your own. An approximate cost to buy a uniform is £45. The purchase of comfortable flat black shoes is expected.

## Travel to placement

The programme is delivered at Fusehill Street campus in Carlisle. Travel to this site is essential for course delivery and may constitute a travel cost.

You will need to travel to placement during the programme and this may incur a cost to you.
